Times of recession and emigration are upon us and it is now more than ever we need to keep our club alive and positive as it is the heart of the Community. Our Club is proud to have all ages playing hurling from 5 years old all the way up to Senior and Intermediate Level. Thanks to everyone for putting in their voluntary time, and of course thanks to the players who proudly play for their Club.

If you have any suggestions or ideas that would make our Club the best it can be please contact me. Remember it is Your Club, Your Pride. The club draws its strengths from the local community and we want all to be proud of what can be achieved and to make our club a good role model. Overleaf I drafted up a list of all fixtures from Juvenile to Senior level for the year. Please note that there is likely to be some date changes along the way, so keep in touch. Wishing for Good Hurling in 2011.
